We are also able to support students in other qualifications, for example, where they are continuing courses from their home school. Last year, in addition to the courses listed above, we also supported students in the following:

- History (GCSE)
- Health and Social Care (GCSE)
- Award in Creative Craft (NCFE – Level 1)
- Application in Maths (GCSE)
- Methods in Maths (GCSE)
- ICT (CLAIT – Level 1)

Enrichment is an important part of our curriculum and the following activities are some examples from our programme last year:

- Horticulture
- Cooking
- Knitting
- Pottery
- Film making
- Rock climbing
- Team building
- Science, Technology, Engineering and Maths (STEM)
- Horse riding
- Cycling
- Animal awareness
- Independent travel training
